GPS Location Lat. 42.19039 Long. -75.83944

I, the undersigned am interested in the hobby of radio-controlled aircraft. I understand that to join the Binghamton Aeros I must be a current member of the Academy of Model Aeronautics (AMA). The Binghamton Aeros is a chartered member of the AMA. Membership in Binghamton Aeros requires a candidate to have a designated Aeros sponsor and be elected into the club to serve a one (1) year period as an Associate member. After one year, Full Membership is attained by a favorable vote of the general membership.

**** APPLICATION INFORMATION ****

The Binghamton Aeros, is primarily a giant scale radio-controlled aircraft organization. Giant Scale aircraft are defined as having a wingspan of at least 80 inches for monoplanes and 60 inches for biplanes. Owning and flying a Giant Scale aircraft is not required for membership. **One condition of membership is that ALL Aeros members are required to assist in one of the Binghamton Aeros Hosted events.**

Junior Member Application: Junior members must be 18 yrs. or younger. No fees are required. Junior members must maintain current AMA Youth Membership. Must have Parental/Guardianship signature.

Initiation Fee: \$100.00 Annual Dues: Required
\$50.00 Upon Achieving Associate Membership \$50.00 Upon Achieving Full Membership
